# RESIDENT OF THE MONTH

## *Earl Miller*

Earl Miller was born on May 7, 1929 in Toledo, Ohio to Earl Miller Sr. and Georgia Whetslier. He was an only child and spent his early years including schooling in Cincinnati, Ohio and Chicago, Illinois. He worked for Popular Mechanics in Chicago then in Cleveland selling magazines, yes, a magazine salesman, before starting his postal career on October 13, 1963. After working for the U.S. Post Office for about 30 years, he decided to retire on January 2, 1993.

His family and faith were important to him. He was a deacon at Faith Luthern in Lakewood.

He fell in love and married Joyce Meyer on March 11, 1967. They were blessed with two children, a boy, Kurt in 1968 and a girl, Kristina in 1972. Earl has five grandchildren: Carolann Pickering, Kurt Miller, Jr., Natasha Anderson, Sharq and Matthew Ritley. He is also blessed to have four great grandchildren: Zoey Miller, Alaina Miller his youngest, Aerith and Liam Pickering.

During his life he enjoyed stamp collecting as a hobby. He also enjoys all Ancient Aliens and Science Fiction programs on TV. His rush with greatness was an unexpected meeting with his favorite actor Rodney McDowell from the Planet of the Apes while he lived in Cincinnati. His favorite songs are: *I wonder who is kissing her now* by the song writer Joseph E. Howard, *Edelweiss*, and *Is you is or is you ain't my baby* and all big band music. One time he had a chance meeting with Joseph E. Howard in a restaurant where they were both eating.

Every year he took his family on a nice vacation. Some of the places where they vacationed were: Disney World, Niagara Falls several times, Washington D.C., Mammoth Cave in Kentucky, Carlsbad Caverns in New Mexico, and visiting family in Texas, Arizona and family reunions in Indiana.

During his retirement he attended and enjoyed all his grandchildren's events and activities and the children were so proud to have their Grandpa watching them and they just loved it.

We do not remember him dancing during his lifetime but we hear he sure seems to enjoy *moving and grooving* to the music here at the Normandy.
